Parking

If you are using the church hall car park to pick up your children after school could we ask you to bear in mind the other people who use the hall during the afternoons. If you could park considerately then we would be most grateful. Also, if you need to wait in your car for a while before the children come out of school then the social club have kindly offered their car park for those who need to wait for a while.

On Wednesday our Year 5 and Year 6 children went to hear the 2 Johns talk about e-safety. If you were not able to go to the parents' session then please talk to your children about the strong safeguarding message that was delivered to our children on the day.
